

Success Coaches: Helping you succeed, one course at a time!

We understand that you are managing multiple responsibilities while enrolled in your degree program. You may benefit from comprehensive, personalized support services. All collaborative program students have access to a Success Coach who will provide you with individualized support including:

- Finding a healthy balance between your life obligations and coursework
- Identifying resources to help you find success in the classroom and beyond
- Consulting and advocating for you on your path toward graduation
- Providing general encouragement and support during your time in the program

We encourage you to view your Success Coach as a **One Stop Shop**. Consider your Coach to be your first point of contact. We are more than happy to connect you with information and resources to help you succeed!
